

# RECYCLING WORKS IN OUR COMPLEX!

**Our recycling program is simple  
and convenient!**

## Why recycle?

- ◆ *Recycling helps control garbage costs.*
- ◆ *Recycling sets a good example.*
- ◆ *Recycling feels good!*
- ◆ *Recycling one aluminum can saves enough electricity to run a computer for 3 hours!*
- ◆ *Making recycled paper:*
  - ❖ *Generates 74% less air pollution*
  - ❖ *Generates 35% less water pollution*
  - ❖ *Requires 58% less water*
  - ❖ *Requires 64% less energy*

All clean recyclables go into your All-in-One recycling containers, including:

- ♻️ Newspaper and mixed paper
- ♻️ Flattened cardboard
- ♻️ Drink cartons and freezer boxes
- ♻️ All plastic bottles - no caps or lids
- ♻️ Plastic dairy tubs (yogurt, cottage cheese, etc.)
- ♻️ Food and beverage cans
- ♻️ Glass bottles and jars - no caps or lids

- ◆ **All recyclables must be clean.** Please remove and dispose of all food residues and container lids to avoid contamination. *When in doubt, throw it out!*
- ◆ **Please empty recyclables out of bags and boxes** to save container space. Put clean paper bags and boxes in the **All-in-One** cart. **No plastic bags.** (Clean plastic shopping bags can be reused or recycled at many grocery stores.)
- ◆ **Questions about Recycling?** Please contact (Resident name) \_\_\_\_\_ in unit # \_\_\_\_\_ for information and assistance.

**Please review and post these All-in-One recycling guidelines.**

***Thanks for recycling and preventing waste!***

**Información sobre reciclaje y servicio de basura esta disponible en español.**
