Extra Garbage:

Garbage charges are based on cart size. If your garbage cart lid is open more than 6 inches, there will be a charge for extra garbage.

Bulky items such as mattresses, large appliances and building materials can be picked up by special arrangement for a fee. Contact us for fee information.

What do I do with...?

Plastic bags
Bag plastic bags together and take them to your local grocery store for recycling, reuse them or put them in the garbage.

Hardcover books
Donate them to a school or charity.

Shredded paper
Use to soak up and harden latex paint in the garbage. In order to recycle shredded paper and documents to shred, take them to a shred event.

Paint
Paintcare is a new resource for free drop off! Visit **paintcare. org/states/washington/** for more information on the program.
If you can't drop off latex paint for recycling, mix in cat litter, shredded paper, or sawdust to solidify. Once dry, bag it and place it in your garbage.
