Seoul’s **Clear Alleys Program** (CAP) replaces dumpsters, creating cleaner, safer alleys!

*Waste Management is the service provider for CAP in the Pioneer Square, International District and Columbia City neighborhoods.*

**How Seattle’s Clear Alleys Program Works:** Specially marked plastic bags are used for garbage and recycling, set out in alleys, and collected two to three times per day. If a business has available designated or private inside storage space they may be eligible to use a dumpster or cart instead. Please contact the City at SPUClearAlleys@Seattle.Gov to verify.

**How to Start Service:** Please call Waste Management at 1-800-963-4050 to set up your account and to place your first order of bags.

**Collection Bag Pricing:** Prices vary depending on the type of bag purchased. All collection bags are sold in rolls of 30. (Prices below effective April 1, 2018)

*Minimum bag order is $100

Commercial customers will pay a monthly service charge of $27.50 Multifamily customers will pay a monthly service charge of $40.85. Bag collection costs and shipping via USPS are included in the purchase fee. Expedited shipping is available upon request for an extra fee.

**Participating is Simple:** Use the special pre-paid color-coded bags ordered from Waste Management, for your garbage and recycling.

1. Once you receive your Clear Alley bags, **line indoor containers with them.**
2. Securely tie corners of bags (limit 60 lbs).
3. **Set out securely tied bags** in your alley. Garbage bags are collected 3x per day in the morning, afternoon and night.
4. Flatten and bundle cardboard or put inside a cardboard box or approved recycling bag. Recycling is collected 2x per day in the morning and late afternoon.
5. Customers may also purchase **bulky item tags** for items that cannot easily fit inside a bag. Order more bags or bulky items tags by calling 1-800-963-4050 or online at https://wmnorthwest.com/caporder.
Seattle’s **Clear Alleys Program (CAP)**
Set-out Guidelines
