

OOPS!

Looks like the wrong thing ended up in your compost cart this week. These are contaminants and can't be removed during processing. They ruin the finished compost.

Do not put these items in your compost cart:

- Plastic bags
- Plastic clamshells
- Other plastic
- Styrofoam™
- Glass
- Textiles
- Tape (e.g. on cardboard boxes)
- Plant pots
- Dog toys
- Other: _____
- Other: _____

This tag constitutes notification that this cart will be opened before solid waste collection services are provided next week. If any plainly visible contaminants are found by the City of Kirkland or representatives of its contracted waste hauler, additional solid waste collection service fees may be imposed.

Questions? Contact the City of Kirkland at (425) 587-3812 or recycle@kirklandwa.gov.
