

Free Recycling Rock Stars Assembly!

Now Scheduling for schools Fall 2014
ACT NOW – SPACE IS LIMITED!

September 22 to October 3, 2014

THIS LIVE ASSEMBLY SHOW will ignite school-wide interest in recycling and waste reduction by taking students on a fun and interactive adventure to learn:

- The importance of recycling and reducing waste
- What can and can't be recycled
- Simple everyday actions to cut down on garbage

What people are saying about "Recycling Rock Stars"

*"This assembly was OUTSTANDING!
Wonderful content communicated
fabulously by such talented actors."*

–Principal in Snohomish School District

"Entertaining."

"Awesome, so funny!"

–3rd Graders, Westgate Elementary School

*"OH WOW! I wish we started this
10 years ago! Thank you so much."*

–Grade 4 Teacher, Penny Creek Elementary

*"I've never seen so many
kids engaged the whole
time during an assembly!"*

–Grade 2 Teacher, Hilltop Elementary

Classroom Workshops

These engaging workshops reinforce the assembly messages through hands-on activities and support the NGSS and WA ESE Learning Standards.

Receive 2-10 FREE follow-up classroom workshops!

School Recycling Assistance

Would you like help determining how to reduce your waste and save money? Do you need recycling containers and signs? We are here to help! Receive a Free Waste Audit and indoor recycling containers for your school!*

*Contact us to see if your school is eligible for assistance.

Sign up now to schedule an Assembly, a Classroom Workshop, or Recycling Assistance for Fall 2014!
