##### Compost Days Discounts and the Big Garden Give

**CEDAR GROVE**

Plus for every bag of compost purchased, Cedar Grove will donate a bag to community and public school gardens.

To celebrate this achievement, from March 15<sup>th</sup> through April 15<sup>th</sup>, Compost Days is offering the biggest discounts of the year on Cedar Grove compost, and get 25% off kitchen food scrap containers and compostable bags at all Fred Meyer stores.

**You can help donate compost to schools and local gardens to feed our community!**

For the second year in a row, Compost Days will contribute free compost to local schools and 120 gardens with the “*Big Garden Give*” - a community compost drive. **You can help!** For every bag of Cedar Grove compost purchased during Compost Days, one bag of compost will be donated to school-based garden programs and community gardens.

Last year’s Compost Days “Big Garden Give” campaign resulted in a total of 1,119 yards of donated compost to community and school gardens -- enough to fill nearly 450 standard pick-up truck beds. Donated compost also helped two new gardens get started - Seattle’s Reunion House, a senior housing community, and the Marysville Arts & Technology High School.
