

All loads must be secured and tarped to prevent accidental litter and highway hazards.

**A fee of \$5 - \$15 will be charged for an unsecured or untarped load, by order of Yamhill County.**

- Use a tarp that will completely cover your trailer or truck bed. At least four inches should overlap the sides, front and back of your load.
- Tightly secure the tarp with ropes, bungee cords, netting or straps.
- Put lighter items at the bottom of the load.
- When transporting large items, make sure they are tied down and secured to the truck or trailer so they don't move.
- Don't overload – keep material level with the truck bed or trailer.
- Before leaving the landfill, remove any loose material that may remain in the trailer or truck bed.
