

Paper, plastic, aluminum and tin  
Put them in the recycling bin  
Now you've got it, give a shout,  
S-O-R-T, sort it out!

Estaño, papel, aluminio y plástico,  
Reciclar y conservar son fantásticos.  
Ahora yo les pido a familia y amigos  
Que hagan lo mejor por  
el mundo conmigo!

### I pledge...

To conserve natural resources  
To Rethink, Reduce, Reuse and Recycle  
And to teach my friends and family

### Me comprometo...

A conservar los recursos naturales  
A Repensar, Reducir, Reutilizar y Reciclar  
Y enseñar a mis amigos y familiares
