

# RECYCLING ALL ST★RS

## Resident Recycling Pledge

Welcome to your new home! You are joining a community of residents who care about recycling. We are counting on you to Recycle Often and Recycle Right!<sup>SM</sup>

I/we, \_\_\_\_\_, pledge to use all of the resources available to recycle right, safely dispose of my household's hazardous waste and report illegal dumping to the property management.

### Recycling Tips, Tools and Resources

I/we will:

- Review and post recycling guidelines close to where recyclables are collected in the home.  
*Recycling guidelines are available in Spanish, Vietnamese, Korean, Chinese, Amharic, Russian, Somali and Hindi.*
- Review and keep the Move In/Move Out Recycling Resource flyer
- Review and keep the Snohomish County Household Hazardous Waste flyer
- Place reusable recycling tote bag in a location that is easy to access the outdoor recycling bin
- Use the reusable recycling tote bag to take recyclables to
- Contact Property Management with any questions about the property's recycling program, including the location of outdoor bins
- Contact Property Management with questions about what to do with bulky items
- Contact Waste Management with any questions about what can be recycled in Snohomish County or call **1-800-RECYCLE**
