If fuel remains, take small cylinders to the Wastemobile.

Propane has no scent but the valve will still smell like rotten eggs when cylinder is empty.

GARBAGE TIPS

Numbers do not matter. If a plastic item is not a bottle, jug or tub, it belongs in the garbage.

Double bag pet waste, vacuum dust, sawdust and cold ashes.

DO NOT put liquids, yard waste, hazardous waste, batteries, or recycling in the garbage.

Free latex and oil-based paint recycling information can be found at paintcare.org.

New options are available for paint drop off in Federal Way. Latex paint that has turned solid may be placed in the garbage.

Extra Garbage

Garbage charges are based on cart size. **There is a charge for extra garbage** that doesn't fit in your cart with the lid closed. If your lid is open more than 6 inches, there will be an extra charge.

Go paperless and save \$5 per year on your garbage bill. wm.com/myaccount
