## What do I do with...?

### Plastic bags

Bag plastic bags together and take them to your local grocery store for recycling, reuse them or put them in the garbage.

### Hardcover books

Donate them to a school or charity.

### Shredded paper

Use to soak up and harden latex paint in the garbage. In order to recycle shredded paper and documents to shred, take them to a shred event.

### Paint

Paintcare is a new resource for free drop off! Visit [paintcare.org/states/washington/](http://paintcare.org/states/washington/) for more information on the program.
