City of Federal Way

**2025 Multifamily
Collection Guide**

Exclusive Federal Way Services Line: 253-833-3333 | wmnorthwest.com/federalway

Recycle Right[®] Every Day.

Follow these three simple rules:

- 1) Include only empty, clean, and dry bottles, cans, paper and cardboard.
- 2) Never include food or liquid.
- 3) Never put your recycling into plastic bags or put plastic bags in your recycling.

When you Recycle Right[®], you give waste a second life.

Think Outside the Cart **REDUCE AND REUSE BEFORE YOU RECYCLE**

Waste prevention is our biggest opportunity to reduce the consumption of natural resources.

Prevent food waste— buy only what you need:

When grocery shopping, be thoughtful. Make a list and buy only what you need to minimize any food waste and save money, too!

Buy nothing:

Instead of buying items you will use infrequently, consider borrowing or renting.

Borrow from a neighbor, or connect with Buy Nothing Project groups on social media.

Share, swap, or sell:

Sell items you no longer want and find bargains at consignment shops, garage sales, thrift stores, online exchanges and auctions.

Choose to reuse:

Use reusable mugs, water bottles, utensils, and bags.

Store these in your car or at your desk so you will always be prepared.

Recycle Right®

RECYCLING

Place only the items listed below in your **blue** recycling container.

Metal

ALUMINUM & TIN CANS

Place tin lids in can, crimp shut.

SCRAP METAL

Small, non-working metal appliances, pots, tools, etc. Limit 2' x 2' x 2', 35lbs; no wood, plastic, or rubber attachments; no sharp metal.

Glass

JARS & BOTTLES (ALL COLORS ACCEPTED)

Only bottles and jars—no other types or shapes of glass are allowed.

Paper and Cardboard

CLEAN & DRY

Most types of paper and cardboard are accepted, as long as it is clean and dry. Flatten boxes.

Plastic

BOTTLES, JUGS & TUBS

Only recycle these "shapes" of plastic containers—do not worry about the recycling symbol or number.

No Plastic, Garbage or "Recycling" Bags Allowed

Empty clean recyclables out of bags and boxes into the cart so that they can be easily sorted.

Used Cooking Oil

Recycle cooking oil for free at the local drop-off located in the parking lot at:

French Lake Dog Park
31531 1st Ave S, Federal Way

RECYCLING TIPS

Clean • Empty • Loose

Valet Services may be used at your property. Valet Services use plastic bags to collect materials. However, materials in plastic bags do not get recycled at recycling facilities. To ensure your recyclables are actually recycled, the materials must be emptied loosely into the recycling containers.

Empty and rinse out all food residue. Labels do not need to be removed.

Extra recycling is free! If your recycling is often full, contact your property manager for larger recycling containers or more frequent collection.

The numbers no longer matter. Recycle plastic only if it is a bottle, jug, or tub.

Free recycling tote bags: These reusable tote bags make recycling easy. Ask your property manager or contact us for a free bag at recyclenw@wm.com.

YARD+FOOD WASTE

These go in your **green** yard+food waste cart. Collected weekly. Not all properties offer this, check with your property manager for details or to set up service for your complex.

Yard Waste & Plants

Food Scraps & Leftovers

ALL FOOD INCLUDING MEAT, CHEESE AND BONES

No plastic bags, plant pots, soil, sod, rocks, liquids, shredded paper or pet waste.

Paper

MUST BE UNCOATED (NOT SHINY OR PLASTIC-LINED)

FOOD SCRAP TIPS

Gather food scraps from your kitchen in:

- Paper grocery bag
 - Reusable container
 - Newspaper
 - Compostable bags
- kingcounty.gov/depts/dnrp/solid-waste/garbage-recycling/compost-right

Empty reusable container into the yard+food waste cart or dumpster frequently, and rinse out.

Make your food last longer with a few of these tips:

- Store certain produce in the fridge to extend it's shelf life, like apples, berries, cucumbers, cherries, peppers, grapes, and citrus fruits.
- Use your counter space to ripen fruits such as avocados, melons, pears, and stone fruit. Once ripe, refrigerate.
- Store bananas on your counter top away from other fruit—they give off a gas that ripens nearby fruit faster. Or, use them to help ripen fruit quickly!
- Put your bread in the freezer if you won't use it up in one week.

GARBAGE

Bag garbage and put them in your **gray** garbage container.

Non-Recyclable Plastic

Non-Recyclable Glass

Non-Recyclable Paper

Non-Recyclable Metal

If full, hazardous waste collection.

GARBAGE TIPS

Double bag pet waste, vacuum dust, sawdust and cold ashes.

DO NOT put liquids, yard waste, hazardous waste, batteries, or recycling in the garbage.

The numbers no longer matter.

If a plastic item isn't a bottle, jug, or tub, it belongs in the garbage.

Report illegal dumping.

Any time garbage from outside your apartment complex is dumped into your dumpsters, it is considered "theft of service". You are encouraged to report this to your property manager, and to also contact Federal Way Police. Here are three ways to make contact:

- If there is no suspect, report the theft online at [federalwaywa.gov/page/file-police-report-online](https://www.federalwaywa.gov/page/file-police-report-online)
- If you have details about the suspect (description, license plate, vehicle make/model, etc.), call the non-emergency number at 253-835-2121. Do not confront the suspect.

DISPOSAL TIPS

Allow Access to Containers and Keep Recycling Loose and Clean

- Please do not block access to trash and recycling containers.
- If the wrong items are placed in the recycling containers, WM will not empty them. This means all residents may be impacted. Please recycle only the accepted items as shown in this guide!
- Do not use plastic bags to collect your recycling. Recycling must be loose so it can be sorted at the recycle center. All bags are presumed to be garbage. Recycling center staff are trained to discard all bags. Don't let your recycling efforts go to waste!
- Remember, no plastic bags or film plastic in the recycling.

Give it Away

Some household items can be sold or given away. Try posting a free ad. You will be amazed at what other people might want.

- Buy Nothing Project
- Craigslist
- Facebook Marketplace
- Nextdoor
- OfferUp

Transfer Stations

Bulky items can also be dropped off at a King County transfer station (for a fee).

- **Bow Lake Transfer Station**

How Slotted Lids Help You Recycle Right

Slotted lid recycling dumpsters are designed to prevent garbage, bagged material and other non-recyclable items from going in the recycling.

The lids are locked shut with a notched slot opening, easily accessible for you to pour in loose bottles, cans and paper while keeping non-recyclables out.

Property managers can order slotted lids as needed for your complex.

Weather Delays

For updated weather information, visit servicealerts.wmnorthwest.com/federalway

Holiday Schedule

24 25 26

Collection service is provided on all holidays except Thanksgiving Day, Christmas Day and New Year's Day.

If your collection day falls on or after these holidays, your scheduled collection will be delayed one day that week. For example, if your regular collection day is Friday, collection will take place on Saturday.
