

RECYCLING

Place only clean, dry, and loose items (as listed below) in your **blue** recycling container. Collected every week.

Metal

ALUMINUM & TIN CANS

Place lids in can, crimp the can shut. Labels ok.

SCRAP METAL

Small, non-working metal appliances, pots, tools, etc. Limit 2' x 2' x 2', 35lbs; no wood, plastic, or rubber attachments; no sharp metal.

Glass

BOTTLES & JARS

Only bottles and jars (no other types or shapes). All colors. Labels OK.

Paper and Cardboard

CLEAN & DRY

INCLUDES: paperback books, catalogs, magazines, dry food boxes (remove plastic liner), non-foil wrapping paper. Flatten all boxes (do not tie up); Maximum size 3'x3'.

Plastic

BOTTLES, JUGS & TUBS

Ignore the numbers, recycle plastics by shape!

RECYCLING TIPS

No plastic bags, garbage bags or "recycling" bags allowed.

Paper cartons (milk or juice) are not accepted and should be placed in the garbage.

Empty and rinse out all food residue. Labels do not need to be removed.

Ignore the number on plastics— Look at the SHAPE. Recycle plastic only if it is a bottle, jug or tub.

Extra recycling: If you often generate extra recycle, please call WM to increase your container to the next size. Recycling needs to be kept in a container and dry.

Your materials are being recycled! All the recyclable items collected will be made into something new.

Recycling All Stars

Win a pizza party for your community!

Has WM contacted you about contamination in your multifamily complex recycling? WM will recognize 1-2 multifamily complexes each year that demonstrate improved recycling by keeping materials clean, loose, and only recycling items accepted in Auburn's program. Winners will receive a pizza party celebration by WM that includes games and prizes for staff.

Never received a contamination notice from WM? Multifamily complexes can also qualify by making an online pledge to continue to recycle right at wmnorthwest.com/auburn.

Free Recycling Assistance

WM WANTS TO HELP YOUR COMMUNITY RECYCLE RIGHT

For free educational resources for your residents including recycling fliers, e-blast content and recycling 101 webinars, contact the outreach team at recyclenw@wm.com.
