玻璃

✓ **Bottles & jars only, empty and dry, no lids. Place in Curby, alongside roll carts. Always keep glass separate.**

✗ **No lids, lightbulbs, caps, ceramics, broken glass, mirrors, drinking glasses, flower vases, window glass, Pyrex™.**

BATTERY DISPOSAL

Prepare household batteries in three easy steps:

1. Tape the battery ends.

2. Place in a sealed clear plastic bag.

3. Add clear bag of batteries to your glass bin on top of any glass.

MOTOR OIL

Prepare in a clear one-gallon jug with a screw top lid. Place next to glass bin. **Do not mix oil with other chemicals or fluids.**
